Hello fellow opticians

I hope your 2021 year finds you in good health and good spirits. I wanted to take a moment to commend all of our wonderful opticians on their continued success in supporting and assisting our amazing customers even in these challenging times. So many times, our brothers and sisters have gone above and beyond to make each customer have a positive experience each and every time they visit one of our offices. As we all know continuing our education in our field is a must to grow our business and understanding of how to handle customers on a one on one basis. With that being said, I hope to see everyone at one of our Jonesboro, Little Rock, or Fayetteville meeting as we continue to excel at our chosen profession. I hope everyone stays safe, healthy, and happy as we move through these times.

Sincerely,

Shannon Pearson, OAA President
